GENERALIST

ID NUMBER: 048197

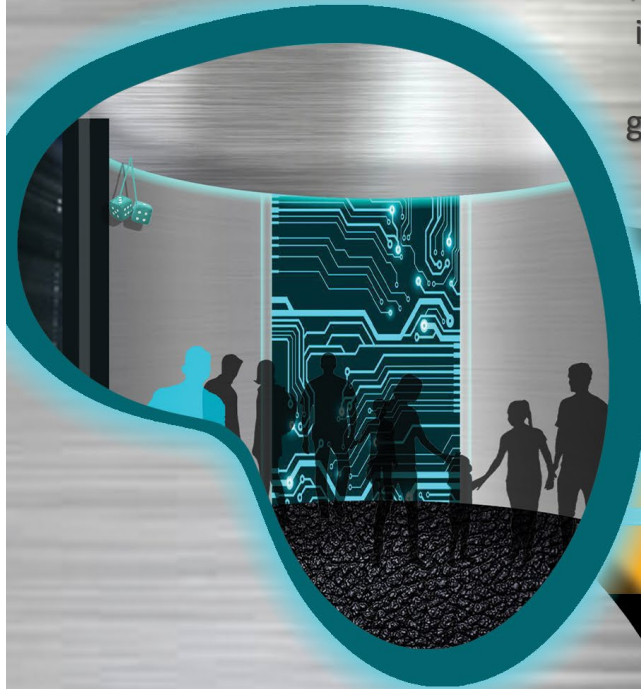

PROJECT DARWINAUT IS AN IMMERSIVE EDUCATIONAL EXPERIENCE THAT TAKES QUEST EXPLORERS ON A JOURNEY THROUGH VARIOUS PERIODS OF HUMAN EVOLUTION. USING THE LENS OF SILLY SCIENCE TO TEACH AND ENTERTAIN, EXPLORERS DISCOVER HOW THEY LEARN BEST.

PROJECT DARWINAUT

Register students and faculty in advance for no wait upon arrival and priority issued guest badges and passbooks.

With RFID enabled guest badges your students can engage with different features of the prehistoric environments and catalog the way they learn best!

THE NEXT BIG FIELD TRIP

Take your students on an adventure of a lifetime! This immersive natural history exhibit explores the evolution of humankind using state-of-the-art animatronics, hands on activities, and the simulation of time travel!

SAMPLE INTERACTIVES

- Measuring creatures
- Planting a seed to watch it turn into a forest
- Casting footprints
- Make your own fossil
- Comparing DNA under a microscope
- Identifying food, water, and shelter in the habitat

LEARNER REPORT

GUEST DARWINAUT:
PETE CARSILO

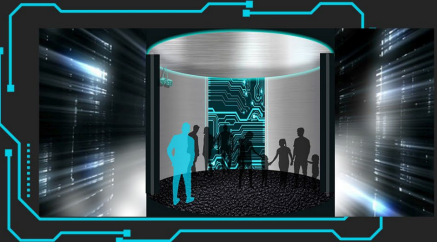

INTERACTIVE ASSESSMENT:
20% . . . READING
50% . . . EXPLORING
30% . . . HANDS ON

**PETE LEARNS BEST WHILE USING
HIS SENSE OF ADVENTURE.**

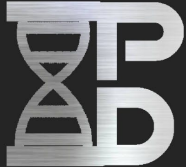

EXPERIMENTS AND LIGHT READING
ALSO FOLLOW HIS LEARNING STYLE.
